LB 263, 504, 257,  
531

SENATOR CULLAN: Mr. President, members of the Legislature. I move that LB 263, as amended, be advanced to E & R for engrossment.

SPEAKER LUEDTKE: Motion to advance LB 263 to E & R for engrossment. Any discussion? All those in favor say aye, opposed nay. LB 263 is advanced to E & R for engrossment. That will conclude Select File and our motions that were on the agenda for today will be taken up tomorrow because, as I understand Senator Warner, we will not be getting to appropriations tomorrow. Senator Warner, am I correct in that, that you would prefer not to take up appropriations tomorrow then? So we will then now proceed with the bills on appropriations, Mr. Clerk, unless you have something else.

CLERK: Senator Maresh asks unanimous consent to print amendments to 504. Senator Rasmussen asks to print amendments to 257.

SPEAKER LUEDTKE: So ordered.

CLERK: Mr. President, LB 531. The committee amendments have been adopted. Senator Warner's amendment has been adopted. There is now pending a Koch amendment. The amendment offered by Senator Koch, I believe, is found on page 1593 of the Legislative Journal. (Read Koch amendment).

SPEAKER LUEDTKE: Chair recognizes Senator Koch.

SENATOR KOCH: Mr. Speaker and members of the body. In deference to time, I will withdraw these amendments for the present and offer them on Select File. I think, at that time, we'll have a better idea of exactly what the bill is and there will be no misunderstandings.

SPEAKER LUEDTKE: You are withdrawing that.

SENATOR KOCH: I'll withdraw those until Select File.

SPEAKER LUEDTKE: Alright. Thank you Senator Koch. Any other amendments?

CLERK: Mr. President, the next amendment is offered by Senator Frank Lewis. (Read F. Lewis amendment found on page 1620 of the Journal).

SPEAKER LUEDTKE: Chair recognizes Senator Frank Lewis.

SENATOR F. LEWIS: Mr. President, colleagues. I rise, in embarrassment, to amend a budget bill that doesn't have any dollar impact. The purpose of this, and Senator Warner can verify it if he wishes, the Appropriations Committee put in certain restrictions in terms of the utilization of federal funds for various projects. In the second judicial district one of the items which could be funded would be a court administrator through federal funds. I'm not asking you to take out all the verbage. I'm simply asking you to eliminate the two words, and that is "regional court administrator", three words. I'd ask for the adoption of the amendment.

SPEAKER LUEDTKE: The Chair recognizes Senator Warner.
